Key Stage 2 SATS results 2022

Dear Parents/Carers,

It is with immense pride that we are writing to you today to share the results of our end of Key Stage 2 SATS (Standardised Assessment Tests).

Pupils completed tests in Reading, Maths and Grammar, Punctuation and Spelling (GPS). The scores from the Reading and Maths papers are combined with the teacher assessed Writing scores to create a 'Reading, Writing and Maths' combined score.

I am delighted to be able to share that our Reading, Writing Maths combined score is **68%**. This score means that **68%** of our students in Year 6 achieved at least expected standard in **all three** areas. The national average for this is 59%.

A more detailed breakdown is shown below and you can see that Saint Joseph's scores in all areas are above the national average. *Individual pupil results will be part of the Year 6 end of year report.*

Subject	Expected and above at Saint Joseph's in 2022	Greater depth at Saint Joseph's in 2022	2022 National Average for Expected and above
Reading	76%	8%	74%
Writing	72%	20%	69%
Maths	80%	24%	71%
Grammar, punctuation and spelling	80%	24%	72%

Thanks to the hard work of the pupils, staff, and parents/carers – we hope everyone is as proud of Year 6 as we are!
